Dear Dr. Stringfellow:

The United States Secret Service has advised me that you wish to have returned to you a GUIDEBOOK FOR MARINES which Lee Harvey Oswald gave you in August of 1953.

I have asked Mr. Liebeler to make arrangements for his earliest return to you through the Secret Service office in New Orleans in accordance with your request.

Your cooperation in the work of the Commission is greatly appreciated.

Sincerely,

J. Lee Rankin
General Counsel
